

INVESTMENT PASSPORT OF HREBINKA

Hrebinka is a town of poets, railroad men, and modern and reliable people

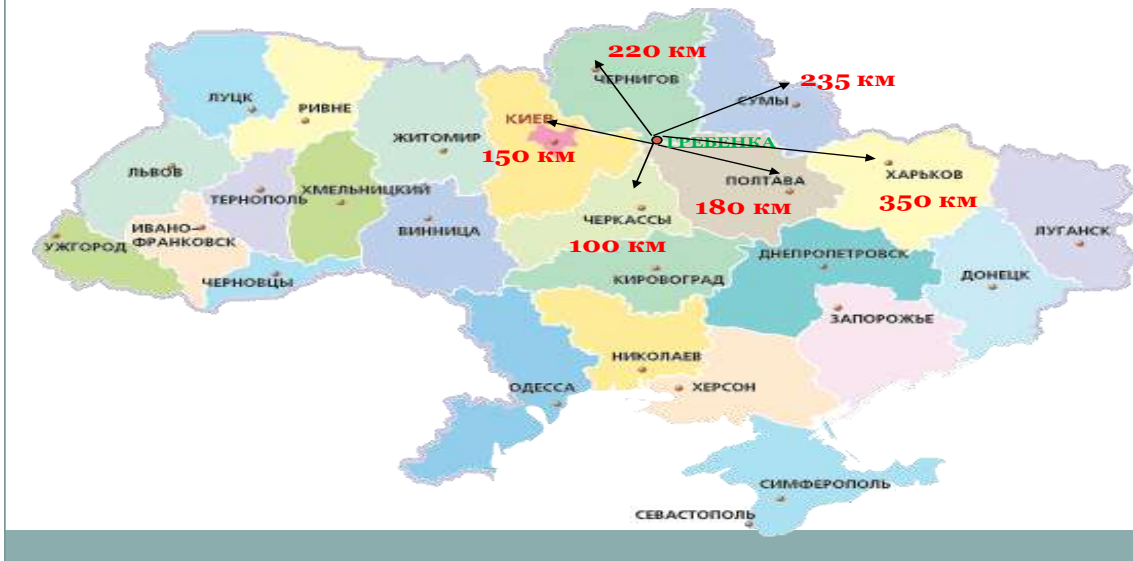

Dear Investors! We live in a wonderful modern town that is famous for its people, its history, traditions, and railway companies. We invite you to win-win cooperation to keep all business fields and social life of our town developing in harmony. We are always open for friendship, business or partnership. The town Council will look into all questions and offers with due consideration, and the qualified workers will provide all the necessary information and support.

Here you will find information about our town.

The town of Hrebinka is a district center located in the North-West of Poltavaska Oblast (Province), in the center of Ukraine. Hrebinka is a railway junction station at the cross of two important railway main lines: Kharkiv-Kyiv and Moscow-Odesa. The distance from the province center is 190 km, from Kyiv – 156 km (road E40 that corresponds to MOZ highway), and from Borispol Airport – 110 km. Kyiv-Kharkiv international highway goes 12 km from Hrebinka.

The town covers 965.7 ha.

The town of Hrebinka was founded in 1895. It is named after our distinguished townsman, Ukrainian fable writer, belletrist, and public person, Evhen Hrebinka, the author of the world famous *Ochi Chernye* (Black Eyes) lyrical song.

The town's population is 11,000 people. The resident population is 6,569 people. 1,700 people are children. 4,000 people are in economy, 62% are in production (about 2,000 of them are in railway business with the proper qualifications), and 38% are in non-production. The average monthly salary is ₴3,232 (UAH). The unemployment rate is 2.96%.

Today, Hrebinka is a railway junction with big railway enterprises: motive-power depot, passenger depot, 11th division of signalization connection, 18th track division, Construction, Installation and Maintenance Department, breakdown organization etc... The financial sector consists of six banks and two insurance companies, which creates wonderful conditions for business development. There are over 730 small (88) and middle-sized businesses in Hrebinka.

Nature's Energy and Community's Steady Development for 2013-2027. This is the name of the program accepted by the Town Council in 2013 that helped attract over ₴650,000 of investments (Fitofuels group of companies (Ukraine) is an enterprise whose energy projects were financed by international financial

organizations) and set in operation a boiler house that uses alternative solid fuel and supplies water to seven state-financed institutions. The Hrebinka territorial community was the first Ukrainian town to implement the project of a boiler house that uses biomass according to NTA European Standard.

A new modern sports complex was built in Hrebinka in 1995.

Sportkompleks town municipal establishment includes field and track center (2,376 m²); athletics center (936 m²): gym with locker room, shower, sauna, Obolon café for 50 people; football field with drainage system (7,176 m²), stands with 3,000 seats; field and track area: 5 tracks, tennis, volleyball, basketball courts, hockey pitch, three handball courts; gymnasium; and a hotel for 120 people. All-Ukrainian field and track, mini-football, futsal, handball competitions and province championships, tournaments, spartakiads, and hockey tournaments are held at the sports complex every year.

There are four Junior Highs and High schools, two preschools, a children and youth sports school, a music school, Young Technician Club, Children and Youth Art Center, District Art Center, two hospitals, Hrebinkivskiy Public Utilities Complex, two groceries markets, and a network of diners and restaurants.

Celebrating the birthday of our famous townsman, we hold the province celebration Hrebinka's Chamber Contest for Ukrainian and foreign scientists in our town every February. Heaven's Motorock Festival is staged in memory of Vasyl Derkach, a townsman and saxophone player of Mister-Twister rock band every July. Many bikers and rock musicians attend this festival in Hrebinka.
